MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT : Additional Positions for Audit Office

1. Reference is made to memorandum of 8 December 1953 from the Auditor-in-Chief to the Acting Deputy Director (Administration) requesting four additional positions to be added to the Audit Office Headquarters office.
2. The present Audit Office ceiling has been checked and is correct as stated in the memorandum.
3. As you know, the only source in the DD/A for the required ceiling increase is the DD/A Reserve. However, the Auditor-in-Chief could be permitted to recruit in excess of his present ceiling with the understanding that appropriate ceiling adjustment will be made in connection with the re-programming in January.
4. The Audit Office indicates that its allotment will probably be sufficient to cover the four additional jobs for the remaining part of this fiscal year.

 I was advised by
 that the "checking" as stated
 in para 2 was effected by
 telephone to the FE division.
 It is believed FE confirmed the
 7/0 positions, not the ceiling
